## PAN ORIENT ENERGY CORP.

### Press Release

### Annual Meeting and Corporate Presentation

**CALGARY, June 18, 2014**

Pan Orient Energy Corp. ("Pan Orient" or the "Corporation") (POE – TSXV) is pleased to report that all resolutions (appointment of auditor, number of directors, election of directors and approval of amended stock option plan) at its June 17, 2014 Annual and Special Meeting of Shareholders were approved by at least 92% of votes cast. A new corporate presentation made at the meeting has been posted on Pan Orient's website at [www.panorient.ca](http://www.panorient.ca).

*Pan Orient is a Calgary, Alberta based oil and gas exploration and production company with operations located onshore Thailand, Indonesia and in Western Canada.*

*Readers are cautioned that well test results are not necessarily indicative of long-term performance or of ultimate recovery.*

*This news release contains forward-looking information. Forward-looking information is generally identifiable by the terminology used, such as "expect", "believe", "estimate", "should", "anticipate" and "potential" or other similar wording. Forward-looking information in the corporate presentation includes, but is not limited to, references to: well drilling programs and drilling plans, estimates of reserves and potentially recoverable resources, and information on future production and project start-ups. By their very nature, the forward-looking statements contained in the corporate presentation require Pan Orient and its management to make assumptions that may not materialize or that may not be accurate. The forward-looking information contained in the corporate presentation is subject to known and unknown risks and uncertainties and other factors, which could cause actual results, expectations, achievements or performance to differ materially, including without limitation: imprecision of reserve estimates and estimates of recoverable quantities of oil, changes in project schedules, operating and reservoir performance, the effects of weather and climate change, the results of exploration and development drilling and related activities, demand for oil and gas, commercial negotiations, other technical and economic factors or revisions and other factors, many of which are beyond the control of Pan Orient. Although Pan Orient believes that the expectations reflected in its forward-looking statements are reasonable, it can give no assurances that the expectations of any forward-looking statements will prove to be correct.*

*Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*
