Press Release

\$0.40 PER SHARE SPECIAL DISTRIBUTION PLANNED

CALGARY, November 30, 2015

Pan Orient Energy Corp. ("Pan Orient" or the "Corporation") (POE – TSXV) is pleased to announce that it plans to pay a \$0.40 per share special distribution to shareholders, subject to shareholder and regulatory approval.

The distribution is intended to be a return of capital, which will require shareholder approval. Pan Orient anticipates that the required shareholder meeting will be held in mid-February 2016. If approved by shareholders, the record date for the determination of shareholders entitled to receive the distribution would be set and the distribution paid in late February 2016. The distribution by return of capital is expected to be generally more tax advantageous to shareholders than a dividend.

The distribution will be funded from Pan Orient's cash reserves, a significant portion of which resulted from the sale by Pan Orient in February 2015 of a 49.99-per-cent equity interest in Pan Orient Energy (Siam) Ltd., which holds a 100% interest in Concession L53/48 in Thailand. The remaining cash reserves are expected to be sufficient to fund the needs of Pan Orient's continuing business operations for the foreseeable future.

Pan Orient is a Calgary, Alberta based oil and gas exploration and production company with operations currently located onshore Thailand, Indonesia and in Western Canada.
